Spring in the air, spring lingering everywhere! It's that time of year for your air conditioning system to be serviced. Prevent costly repairs by having Air Zone Cooling & Heating Inc. perform a tune up with a 20-point air conditioning inspection.

Spring into savings with our maintenance programs, which includes:

- **Two planned preventative maintenances per agreement**
- **Each maintenance includes a 20-point inspection**
- **Description of equipment condition**
- **10% off all heating & air conditioning parts for the year**
- **One year warranty on all parts**
- **Ninety day warranty on labor**

One year agreement includes spring and fall maintenances.
\$130 for the first unit, \$65 each per additional units

At Air Zone Cooling & Heating Inc. we want you to be completely satisfied so you can tell all your friends and family members about our honest, reliable, quality and professional service. Contact us today at **(702) 240-9663** to schedule an appointment.
